

## **PRIMATE WATCH UGANDA**

The safari offers you an opportunity to watch Uganda's primates through a visit to Kibaale national park home of 13 primate species. You will have a great chance to see the famous chimpanzees, Black and white colubus monkey, L'hoest, blue monkey and many more. The trip includes a gorilla tracking in Bwindi Impenetrable Park an experience like no other of the mountain gorillas in the natural rainforest.

### **Itinerary for the trip**

**Day1** ;- include a Pick up and transfer to Kibale National park . We shall enjoy meals and refreshments en-route and evening swamp walk where we shall see make bird species and primates. Dinner and night stay at a beautiful lodge adjacent to the park.

**Day2** ;- After breakfast, we shall have our chimpanzee habituation. This will be a full day activity where you will spend great time in the forest while watching the chimpanzee daily activities. Dinner and overnight at the lodge.

**Day3** ;- include a trip from kibaale park to Bwindi national park. We shall travel through the country side seeing the wonderful landscapes and people settlements. We shall have lunch and refreshments en-route and a relaxed evening at a beautiful lodge in the park. Dinner and good night sleep in the park.

**Day 4**;- After breakfast we shall track gorilla in Bwindi forest and then trip to Lake bunyonyi for a relaxed afternoon at the lake resort. Meals and overnight stay at the lake.

**Day5** ;- include a trip from lake Bunyonyi to our accommodation/ airport. This will mark the end of the exciting trip.
